

AMENDED IN SENATE APRIL 5, 2010

Senate Constitutional Amendment

No. 28

Introduced by Senator Wyland

February 11, 2010

Senate Constitutional Amendment No. 28—A resolution to propose to the people of the State of California an amendment to the Constitution of the State, by adding Section 10 to Article III thereof, relating to state audits.

LEGISLATIVE COUNSEL'S DIGEST

SCA 28, as amended, Wyland. State Auditor: duties.

Existing statutory law establishes the Bureau of State Audits, which is headed by the State Auditor and has specified statutory duties, including the performance of statutorily mandated audits. Existing law states that the Bureau of State Audits, in order to be free of organizational impairments to independence, shall be independent of the executive branch and legislative control.

This measure would require the State Auditor to biennially conduct a performance evaluation of each state program, including the administration or oversight of that program by the department or agency that is responsible for the program, and submit a report of the results of that performance evaluation to the Legislature, as prescribed. This measure would ~~also~~ require the State Auditor to make each performance evaluation available to the public on an Internet Web site and in hardcopy format *and require the Legislature to appropriate to the Bureau of State Audits those funds that are necessary to implement these provisions.*

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

1 *Resolved by the Senate, the Assembly concurring,* That the
